Re: United States v. Jeremy Hare  
Crim. No. 1:18-cr-00588(RMB)-1

To: U.S. Clerk of the Courts

Please file this letter as a Supplementary Exhibit in the above referenced case. The Bureau of Prisons is reporting active cases of COVID-19 at Fort Dix. Defendant's housing unit is at the center of the current outbreak, with 154 inmates testing positive in the past week. Conditions are now so bad that it became necessary to designate Petitioner's housing unit as a quarantine unit, and move the small number of inmates testing negative for COVID-19 to a quarantine unit previously used for infected inmates. On October 29, 2020, the Bureau of Prisons reported 165 inmates and 8 staff members actively infected with COVID-19 at Fort Dix.

Several local newspapers have reported on the rapid increase in new cases, as well as the abysmal and dangerous living conditions at Fort Dix.
